

DMS Country Santa Toy Drive A Success

Too many toys push Mrs. Smith out of her office

Dacusville Middle School Student Council sponsored a toy collection drive for new toys for Country Santa. Our incredible student body, faculty and staff brought in 1,169 new toys during a 2 week period. The 8th grade won the grade level competition and was rewarded with a special cake during lunch on

Monday, December 13. Mrs. Dorneker and her 13 first period students brought in a total of 241 toys, for 1,721% participation, to win the class competition. Student Council's goal was to collect enough toys to fill up Mrs. Smith's office and push her out of it. Thanks to everyone who participated and made the toy collection a huge success.

Student Council Officers, Monica Blount--President, Mallory Burr--Secretary and Ashley Suttles--Vice-President, are pictured with Mrs. Smith in her office.
